

ENVIRONMENTAL & COMMUNITY RELATIONS POLICY

Jupiter Mines Limited

VISION

Jupiter Mines is committed to sustainable development and continual improvement to minimise its impacts on the environment and benefit the community. This vision applies to all sites and all employees and contractors working on behalf of Jupiter Mines.

ACTIONS

To achieve our vision we will:

- Comply with all legal requirements
- Maintain a robust management system that drives continual improvement
- Ensure that our personnel and contractors are trained in the potential environmental and community impacts of their role and how to minimise them
- Minimise clearing of vegetation
- Manage water extraction to avoid adverse impacts on vegetation and fauna
- Improve biodiversity through progressive rehabilitation and effective property management
- Manage air, land and water emissions through the provision of effective pollution control facilities
- Remediate any spills or contamination caused by our works
- Seek opportunities to conserve resources and minimise waste
- Protect sites of cultural heritage by ensuring they remain secure and undisturbed
- Communicate openly with employees, the community and regulatory authorities and respond quickly to stakeholder concerns
- Seek opportunities to provide training and work to the local community
